

Changes to how Marshals sign on at Oliver's Mount

The way that track marshals sign on for the 2016 season and beyond at Oliver's Mount, Scarborough has changed and will be first put into practice at the Bob Smith Spring Cup.

There will now be a marshals caravan where signing on will take place in the morning on both days of the meeting. The caravan will be located at the end of the slip road towards Esses Out.

When approaching the circuit, instead of turning left into the main car park you will now be directed straight on down the slip road towards Esses Out and the caravan. It is the utmost importance that the main car park waiting area is clear at all times.

There will be a security checkpoint where you will have to produce your Auto 66 Membership ID card which should have a passport size photo attached. **If you have a membership card and there is NO photo attached you will not be allowed to enter the circuit.**

Officials & Marshals working in the paddock or off circuit will receive their final instructions letter as normal.

Please see the map for further information
